QuietWalk™ FLOATING WOOD & LAMINATE FLOOR UNDERLAY

One of the very best! Not only reduces noise, but has a vapor barrier on one side for added moisture protection from concrete floor. Prevents bacteria and fungus from occurring, making it a good choice for allergy sufferers. Another benefit is the increase in R-value to help keep floors warm in the winter & cool in summer.

DECORATE WITH MOULDINGS

Mouldings can dramatically increase the look and appeal of any room but are also practical in preventing wall scuffs or damage from furniture. Our selection is so extensive, we couldn't possibly show it all but our MDF mouldings are the most popular with do-it-yourselfers and contractors for their workability. Come in and talk with us and we'd be happy to show you how to get the results you are looking for to match your decor or style.
