A private graveside service was held at the Youngstown Cemetery on April 27, 2021, in Hanna Alberta, at the age of 81 years. She was born into the world prematurely and only three pounds, Darlene was a fighter for life. She grew up in a small town where not only parents were a part of raising her, but the community helped shape her outlook on life. The Levine children had neighbors that kept a close eye on them. Darlene had a lot of respect for these people, and this influenced how she looked out for family, friends, and neighbors. She came to the Youngstown area with her son Lee Johnson in answer to an ad in the Western Producer for a housekeeper from Charles Rosenau in 1963. In December of 1969 Charles married Darlene. Darlene loved her family and tried to stay in touch with her siblings and families; Christmas cards and visits were especially important to her. As time went on, she was able to make herself more at home with neighbors and Charles family. Knowing what it was like to come into a new community, she would help and be friends with anyone new. There came a point that both Charles and Darlene gave their lives to God through the salvation of their Lord Jesus Christ. They attended the Gospel Chapel of Youngstown where their circle of friends grew larger. Darlene had a very compassionate heart and if anyone were hurt, mentally or physically, had a loss, or in the hospital, Darlene would always have food, a visit, or a card for the occasion. She empathized with people in all circumstances, whether a birthday, wedding, a funeral or just life. Music was a big part of Darlene’s life. During music concerts when she was young, to County and Western to fill an empty house, and hymns and spirituals. She appreciated special events that would be sung at the chapel and especially loved watching and listening to the Gaither Vocal Group. She passed away while the hymn “Softly and Tenderly” was playing beside her. When Darlene moved to the farm, she lived it to the fullest. She rode a horse (though not her favorite thing to do), milked a cow and helped Charles with feeding and caring for the cattle. She also cultivated, combined, drove a grain truck, and more, whenever called to do. She especially adored cats, and for a time part of her world revolved around her house cats. Before lack of deexterity and poor eyesight, she crocheted many articles of clothing for newborns, doilies for wedding gifts, and articles to give away. Her focus changed to sewing quilts for a time, and giving those away, her gracious and giving heart was felt by many. Darlene was an exceptionally good cook and capable of making meals for crowds of people – from banquets and weddings and gatherings. Guests would also appreciate her patience and the challenges and opportunities that the ranch life presented. As she and Charles began to deal with age-related issues, they moved from the farm to the Seniors Lodge in Hanna. They moved in June 1st of 2014 and she resided there until April 11, 2021. She greatly appreciated the homecare and staff that took care of her at the lodge. She was predeceased by her twin infant girls, Lana Lee and Loretta Louise; parents: Jules and Winnifred Levine; brother: Charles Levine; one sister: Francis Lentz; husband Charles Rosenau; sister-in-law Edna Triebwasser; brother-in-law in-law Sandy Vane; and sister-in-law Anne Triebwasser. She is survived by sisters Hazel (Severn) Barber, Louise (Lee) Hiestand; son Glen (Christina) Rosenau, their family Raylene, Bryce, Crocus; one sister Francis Lentz; husband Charles Rosenau; sister-in-law Edna Triebwasser; brother-in-law in-law Sandy Vane; and sister-in-law Anne Triebwasser. She is survived by sisters Hazel (Severn) Barber, Louise (Lee) Hiestand; son Glen (Christina) Rosenau, their family Raylene, Bryce, Crocus; and not forgotten by her nieces and nephews. A private graveside service was held at the Youngstown Cemetery on May 2, 2021. If desired donations in memory of Darlene can be made directly to the Hanna Ladies Auxiliary, Box 23, Hanna, AB, T1O 1R9. KATHERINE CHRISTINA “KATIE” SHAFTER
(Nee: Bosch)

February 9, 1942 — May 16, 2021

With much sadness we announce the passing of our beloved Mom on September 18, 1997. She leaves to cherish her memory one daughter, Jeanette (Georgette) Forrest of Grande Prairie and one son, Raymond (Marklyn) Schafter of Calgary, grandchild Danielle (Cathy) Forrest, Jackie C. Forrest (Ron Hobolt), Kristie Schafter, and Ryan Madawicka Schafter, great grandchildren, Jordan and Even Forrest, Jade Hobolt, Emmy Schafter, one sister Mary (Venderick) of Calgary and numerous nieces and friends. Katie was predeceased by her parents, Joseph and Helena Bosch, sisters, Annie Beeplog, Martha Hagen, Lena Schafter, Tilde Kraman, brothers, Tony and Lucas Bosch, and numerous brothers and sisters in law, family members and friends.

Katie was a very loving person who valued her family, her faith and her friends as most important in her life. She grew up in Burstall, Saskatchewan and married Tony J. Schafter in 1938. They lived and farmed in the Schalter, Alberta community until retirement, then in 1971, moved into the town of Schalter. The next move was into Medicine Hat in 1980. They were involved in many social events with family and friends - playing cards, dancing and bowling. She liked to sew and cooked and made the best turkey dinners, cinnamon buns and always had a big vegetable garden. However, she said she wanted to be remembered for encouraging her children to get an education and make a success of their lives. She guessed that wish has been granted as her children, grandchildren and great grandchildren have all gone on to university.

After Tony passed away her life changed once again. Katie moved into Park Meadows in 1997 and enjoyed her life there for 12 years. She took part in many social activities - shuffleboard, card playing, birthday parties and her 90th in 2009 with 125 of her family and friends in attendance. The next move was into The Wellington in September, 2009 and enjoyed new people and visiting with relatives and friends. On February 9, 2019 she celebrated her 100th birthday at The Wellington with about 150 family and friends. Shortly after, she took a bad fall and was hospitalized for four months. From there she moved to the Good Samaritan South Ridge Village where she received excellent care from the staff. Katie’s Roman Catholic faith was very important to her. She was a 66 year member with the C.W.L., and had a Lifetime of devotion to the Blessed Virgin Mary, watched mass on TV and recited her prayers and the Rosary daily. She was a devoted wife, mother to her children, grandchildren, great-grandchildren and will be dearly missed.

She wanted to express the following message to her family and friends, “I have lived a good life, and want to thank you for the love and friendship you have shown me over the years. God Bless you all.”

Due to Covid-19 restrictions, a private family funerary Mass will be celebrated in the Holy Family Parish, Roman Catholic Church, on Thursday, May 20, 2021. You are invited to watch the video, tributes and interment which will be live streamed at 11:00 a.m. and may be watched at pattisonfuneralhome.com. Family and friends who wish to pay their respects may do so at the PATTISON FUNERAL HOME AND CREMATORIUM 540 South Railway St. SE, Medicine Hat T1A 4C2.

Miss Me, But Let Me Go

When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom filled room
Why cry for a soul set free!
Miss me a little, but not for long,
And not with your head bowed low.
Remember the love we once shared,
Miss me, but let me go!
For this a journey we all must take,
And each must go alone;
It’s all a part of the master’s plan
A step on the road to home.
When you are lonely and sick of heart
Go to the friends we know,
And bury your sorrows in doing good deeds,
Miss me, but let me go.

JOSEPH STADNYK

July 15, 1935 — May 18, 2021

It is with full, but sad hearts that we announce the passing of our beloved husband, father, grandfather, great-grandfather, brother, uncle and friend, Joseph Henry Stadnyk. Joe passed away suddenly, but peacefully with his loving wife of 32 years, Lorna by his side. He will always be lovingly remembered by his adoring wife, Lorna and their closely-bonded family including children, Eugene (Patti), Dennis, Laurel (Ian), Todd, Steven (Linda), Joseph, Lane, Mark (Val), Monica, 17 grandchildren and 12 great-grandchildren as well as his siblings, Paul, Anna, Edna and Gladys including his extended family and friends. Joe was predeceased by his parents, Nick and Dorothy Stadnyk, siblings, Kay, Mary, Josie and Leonard. Joe will be deeply missed by all of them.

He had the kindest eyes and the brightest smile that you could always see until the very moment that it was his last. The brightest of his children and grandchildren were together. It was usually around the table, sitting outside on the deck, in the driveway and quite possibly while eating a bologna sandwich where he would share his stories of growing up on the family farm and all of the jobs that he ended up together with the memories that he made along the way. Joe’s life took him many places including, Sifton, MB, Dauphin, Gilbert Plains, St. Martin, Redcliff, AB, Medicine Hat and Red Deer. When he was going to school in Saskatchewan he was the family farm growing up, starting a career as a butcher (which he would continue to do for many years in many different places) or being a lumberjack, a job he did with his brother that had them travel throughout Canada from Alberta to Ontario. Joe owned a Texaco gas station, worked in a Denturist office with Lane and finally woodworking which became his hobby and passion. Needless to say he was a hardworking man who was extremely talented when it came to working with his hands. Joe and Lorna spent the majority of their married life in Red Deer where they made many everlasting friendships. Throughout those years, many memories including adventures on various bus tours, cruises and trips to Nashville, Hawaii, Alaska and San Diego to name a few were taken. They would also spend a week or a month at a time, a “Santa’s Helper” where Joe would display and sell his detailed hand crafted woodworking projects of birdhouses, yard ornaments, gardener’s, baby’s, birdhouse, benches and furniture. Many of these projects he has since passed down to his family which they will treasure for generations and years to come. We will miss you Joe and although our hearts are sad, we take great comfort in knowing that you are now at peace and Heaven has gained an angel that we will be watching over us all. A celebration of Joe’s life will take place in Gilbert Plains, MB, at a later date when it is safe to do so. Condolences may be expressed by visiting our website at www.cookscountryside.com.
